

## Rotary Club of Essex, Vermont

"Service Above Self"

Thank you for coming to Rotary today. I hope you had a pleasant time. As you may have noticed, we have a very energetic group, and when we sense that there is a prospect that is interested in joining, we are excited because we are proud of what our Club does and eager to find new energetic people who want to join.

Essex Rotary has some very good Fund Raising programs in place that help us bring Charitable Funds to our Club. We are very well organized and work well as a Team to bring the right causes to Essex Rotary that we are compassionate about and want to support. All members are involved and have a say as to how we give out these charitable funds.

In order to become a Rotarian, an interested individual must be Sponsored by a Rotarian to join. I will be glad to sponsor you if you choose to apply: Prospective members should either reside or work in the following communities;

Essex Town, Essex Junction, Westford, Jericho, and Underhill

I invite you to go to our website at [www.rotaryclubofessex.org](http://www.rotaryclubofessex.org), and go to the link 'About Our Club'. There you will find more information about our club.

On the left panel of that page, you will find a link to a couple of documents;

-  Becoming a Rotarian
-  Responsibilities of Membership

You can also find a link to a '*New Member Application Form – On-Line*'. This will go directly to our membership chair.

If you have any questions, please do not hesitate to contact me.
